

JESSE N. GLAUDE
EXECUTIVE DIRECTOR

Christ Church Choral Scholar Program

Christ Church School of the Arts, Inc. is very pleased to announce the *Christ Church Choral Scholar Program*, which endeavors to give valuable experience and training to promising choral singers of high school age.

A *Christ Church Choral Scholar* is an auditioned member of the music program. This scholarship is limited to four slots each year, divided by voice part (SATB). The *Choral Scholar* will act as a section leader in the Christ Church Choir, attend weekly Thursday evening rehearsals from 7pm-8:30pm, and sing at the weekly 10am Sunday service from 9:15am-11am (this includes pre-service warm-ups and review). *Choral Scholars* are expected to learn their music to a high degree of proficiency, and to perform throughout the choir season from the Sunday after Labor Day to Trinity Sunday (early June).

By way of compensation, **Christ Church School of the Arts** will provide each *Choral Scholar* with a **full year scholarship** to the School, in any discipline the Scholar wishes (voice, piano, guitar, woodwinds, strings or brass). The School will also provide *all* the Scholar's necessary sheet music and lesson books, as well as their robes, folders, hymnals and choral music.

To schedule an audition time, please contact our office at: **860.425.0663**, **ccsartsmail@yahoo.com**, or through our website, **www.ccsarts.org**.

Each applicant will be assigned a private audition with Jesse Glaude, Director of the School and Choirmaster of the Church. Please find the audition requirements on the following page. We look forward to hearing you. Best of luck!
